I already tried the following with no success: uninstalling .NET framework disabling all add-ons for .NET framework adding my path to environment variables in windows: searching the registry key: HKCU/Software/Microsoft/Framework/CurrentVersions/v4.0 and changed the value to v4.0.20505 any other suggestions? A: I figured out the problem was from IE11, I just upgraded IE to IE11 and I am now able to download and run Xforce from my C drive and IE installed the 64bit version of Xforce.

Inhibitory activity of rosiglitazone on thymidine incorporation and neoplastic growth of a human breast cancer cell line. Insulin resistance is a feature of a variety of cancers. Insulin and insulin-like growth factor-1 (IGF-1) are known to exert mitogenic and promitogenic effects on multiple cell types. Therefore, it is possible that insulin-sensitizers such as thiazolidinediones could inhibit the growth of cancer cells. In this study, we investigated the effects of the thiazolidinedione rosiglitazone (RSG), a potent and selective peroxisome proliferator-activated receptor gamma (PPARgamma) agonist, on cellular growth and DNA synthesis in the estrogen-responsive human breast cancer cell line MCF-7.

RSG inhibited MCF-7 cell proliferation in a dose-dependent manner (IC<sub>50</sub> = 20 microM), as determined by the [<sup>3</sup>H]thymidine uptake assay. It also inhibited the stimulation of thymidine incorporation induced by 10<sup>-10</sup> M E(2). This effect was, however, not apparent at an earlier stage in the mitogenic response of MCF-7 cells to E(2). RSG was inactive against estradiol (E(2))-stimulated thymidine incorporation of the human estrogen-responsive cell line ZR-75. However, it inhibited thymidine uptake induced by other mitogens and growth factors in several cell lines. These findings suggest that RSG inhibits cell proliferation via a mechanism other than PPARgamma stimulation.

South Carolina is looking for a \$32 million state grant that would help build a soccer stadium in Charleston. That's great for the city and its team, but what about the rest of South Carolina?
